CORRESPONDENCE

- Final Clean Up Weekend will be August 26-27
 - Only when gates are open: 7a-3p Sat and Sun
- Castle Garden Bridge – County owned. We do winter maintenance and mowing. Needs inspected every 2 yrs. Not enough money to cover expenses. Scott left message and hasn't heard back.
- Tractor is still in the shop in pieces – we should strip for parts over winter and junk the frame.

OLD BUSINESS

- Sikko Lane confirmed to be private lane. Letters sent regarding name change. Waiting to hear back.
- Stone Bid – received one.
 - Motion made to accept by Scott, seconded by Jeff.
- Trash truck and Sterling out to bid yet? Need more information regarding trucks – mileage, tonnage, type
- Cemetery CD – we voted to cash. Cannot until March. Will have visitor next meeting to discuss the will that donated money to mow cemeteries 3x a year. We opened CD in 2008. We've never paid ourselves for mowing since 2008. 2 cemeteries, 3x a year, \$150/mow = \$900/year *15yrs = \$13,500. That is more than CD is worth.

COMMENTS

- Where pipes cross road in front of Strayer's, big pothole. Brought up a few times – still not done. Only way to fix is to dig back up. Temporary solution? Cold pack will help get to spring

NEW BUSINESS

- Turned into PennDot for Hoover Road – need to take grader through to make it better for this year

ROADMASTER REPORT

- About to stop work at top of Mason Hill. Springs in road created dip. Only way to do it right is build up road 3.5ft. Working with Riverview about getting shale. Didn't work out last time. Been trying to get here for a few weeks. At this point it might be November.
- Next year maybe bid out the work – will discuss when working on budget.

ADJOURN MEETING

- Motion to adjourn made by Scott, seconded by Jeff.

Next meeting is scheduled for September 18th at 7p.m.

Respectfully submitted by:

Heather Williams
