- New truck this year – should we get a F600? No, probably stay with F550. Gas vs. Diesel? Scott will talk it over with Darin (PennDOT rep)
- Benezette is planning to sell some equipment
  - Truck – not interested
  - Mower, Trailer - interested

### **ROADMASTER REPORT**

- New plow and tarp on the red F550 are working great
- Will re-open Suicide when it's safe to do so
- Going through a lot of antiskid – if the winter weather continues at this pace, it will impact some of our 2025 projects.
- Equipment updates:
  - Red truck run off road on Mason Hill. Frank pulled out. Transmission not working right, fluid dirty and smells burnt. Hydarulic pump not working on hills, but working on level ground.
  - Backhoe kingpin is real bad.
  - Dinsmore did the frame on the Mack. Recommend getting bottom done, but will not take on the welding job. Rusted between the truck frame and the dump frame.
