- Federal Funds are available for rural transportation projects with no match. Townships are eligible to apply until October.

  - Call into PennDOT and complain about the roads
- Payment in lieu of taxes may not come in at one time. May trickle in.

### **ROADMASTER REPORT**

- EQT did a well on Huston Hill but only bonded with Benezette. They will give us 4 triaxle of stone to fix the road.
- Pot holes on Mix Run are done from the end of blacktop to the bridge.
- Still have 2-3 days of hauling the free millings from the state.
- Grove Hill is up next.
- Huston, Sheddy and Mason are all bonded by EQT
- FEMA update: They are still working on it.
- Equipment update: Tractor came – didn't work. Switches weren't set up, seal was ripped – had to wait for parts. Was able to use on Mix. Then the mower attachment folded over. There is some lever to keep from doing that but wasn't on this model. That piece was sent to us. 2 brackets were bent – still waiting on those.
