### **CORRESPONDENCE**

- Benezette wants us to continue plowing Huston Hill – They don't maintain potholes throughout year and we get calls about it even though that part is not Gibson Twp. Are the new Supervisors looking to sign it over? Will email.
- CamCo Commissioners need breakdown of bridge maintenance – Scott will speak with them

### **NEW BUSINESS**

- Need to begin working on the budget

### **ROADMASTER REPORT**

- We switched to Friday Gas
- Mack Fuel tank is fixed.
- EQT stone is all used up
- Quehanna haul is down over Hoover. Will need to mesh and add aggregate on top at some point to hold it down.
- Kylertown millings – state is dragging their feet. Probably not before winter
- Jerry Run – still a fight with conservation. Will contact DEP to see if can get permit ourselves. Cheaper to put in concrete blocks with stone behind them . Like Huston where the tree fell. Will be a problem over winter
- FEMA money – on hold because of government shutdown.
